Our church is Jesus Christ centered and has its focus on having a positive social impact. Our church aims to uplift the lives of people from all walks of life and promote a strong sense of unity and compassion.

Christ and holiness are our guiding principles

It is situated at the entrance of Katlehong Township. It has a major influence in that various community engagements are held there such as -

- seminars
- weddings
- funerals
- community meetings from different sectors like Taxi association etc.

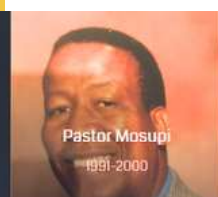

# History

Katlehong AOG was established in 1962 through the revival efforts of Rev. Nicholas Bhengu, founder of the AOG Back to God national movement, with a mission to call the people of Africa back to God. Pastor Shadrack Twala became the Pastor of Katlehong Assembly and led many individuals to Christ. Facing the limitations of a tent, Pastor Twala decided to build a permanent church and mission house, demonstrating unshakable faith by carrying bricks on his bicycle. Later, Pastor Mosupi expanded the church by acquiring a larger space in Tshongweni section and established an industrial center to empower the community. Despite challenges, including a devastating fire incident, the church thrived as a resilient spiritual community. Today, Katlehong AOG remains vibrant, spreading the message of faith, hope, and love to the Katlehong community and beyond.

Over the years, Katlehong AOG experienced rapid growth under the leadership of various pastors -

- 1985 to 1990 - Pastor Twala
- 1991 to 2000 - Pastor Nick Mosupi
- 2002 - 2004 - Pastor Peege
- 2005-2007 - Pastor Gumbi
- 2008-2009 - Pastor Kunene
- 2010-2013 - Pastor Lusunzi,
- 2014-2020 - Pastor Manganyi, and
- the current pastor, who has been serving since 2021 - Pastor Zuma.

# The Need for funding

In May 2022, an unfortunate incident occurred during the maintenance of our beloved church, resulting in a devastating fire which burnt down our church to ashes.

For over 60 years, our church has been a place where people find solace and empowerment, nurturing a strong community spirit.

The sudden and unexpected loss has left us devastated, but it has also presented us with an opportunity to rebuild our church as it will not only meet the immediate needs of our congregation but also enable us to extend our reach and impact even further to the greater community by continually restoring social cohesion.

# Project Overview

We have meticulously planned the construction of the new church, with an estimated total cost of R27 million. The new facility will include:

- A spacious sanctuary with seating capacity for 1300 congregant, enabling us to accommodate the growing congregation.
- Dedicated spaces for children's ministries, youth groups, and adult education programs.
- Offices and boardrooms
- Multipurpose halls for community events, workshops, and outreach programs.
- Accessible facilities for individuals with disabilities, ensuring inclusivity for all.
- Ample parking facilities to accommodate the increasing number of attendees.
